

Congratulations!

...on your upcoming wedding!

I have had years of experience as a professional pianist for weddings, cocktail hours, and receptions! I'm all about providing beautiful music that speaks personally to you and your loved ones, and being easy to work with – so that it's one less thing to worry about - nothing but smiles and happy tears on your special day! I can play solo piano or with additional musicians (duo, trio, etc. up to a full dance band).

Here's my price list and some F.A.Q.s:

Ceremony (1 hour):	\$200 (per musician)
Reception/Cocktail Hour 1 st hour:	\$200 (per musician)
Each additional hour:	\$100 (per musician)
PA system and up to 2 wireless mics:	\$200

We can co-create a list of songs that would fit your style and theme for your special day! (Any requested songs for your ceremony (or first dance) that I do not already own piano music for will be an additional \$5 per song.)

Thank you for considering me and I hope to help make your special day both easy and magical!
